

Hi Fellow 4WD Driver

The Independent 4X4 Club of Tasmania is organising the 6th National 4WD Gathering. This event is to be held in Hobart between 21st and 25th March 2006.

We are planning an interesting event focused on the perceived requirements of 4WD enthusiast. A survey was carried out at the last Gathering held in Broken Hill during 2004. This SURVEY has been the basis of our planning.

I have attached more information of 2006 Gathering to this e-mail, but the most up to date information can be obtained from our web site at www.national4wdgathering.org . The web page gives details of pre and post tag-a-long trips, concession fares for the Bass Straight ferries and some West Coast Tourist trips.

We would appreciate you bringing this event to the notice of your members.

Best wishes
Terry

The 6th National 4WD Gathering will be held at the Orana Guide Camp, Hobart. Orana is situated at 146 Roches Beach Road, Roches Beach.

It is approximately 20 kms from Hobart on the Eastern Shore of the Derwent River. The 12.5 ha property has a safe sheltered beach frontage onto Frederick Henry Bay.

The flat land is suitable for tent, caravan and camper trailer camping.

Bunk accommodation is also available.

Water taps are spread throughout the camping area but there is no electric power available. There are three toilet/shower blocks on site. The plan is to increase this number for the Gathering.

Local shops can provide most of your basic needs.
